The trial of H. H. Padgett for the killing of Green Skidmore in the southern end of the county was taken up Monday. CLOURBURST DOES DAMAGE IN WEST END

SEVERE RAIN STORM PLAYED HAVOC AROUND HUSTONVILLE LAST FRIDAY NIGHT

"Blind tiger" operators in Lincoln are getting "theirs" good and strong at the present term of circuit court. Commonwealth's Attorney Charles A. Hardin is going after them vigorously and says that there is going to be no let-up until all learn that they cannot violate the law and go unwhipped of justice.

Will Lee, colored, of this city, sometimes called the "King of Blind Tigers," was given a \$40 fine and 100 days in jail for selling a pint of whisky. Dan Johnson caught a similar penalty and King Pelman was given a \$60 fine and 10 days in jail.

Cleve and Urt Floyd of the Waynesburg section, were fined \$100 each for malicious shooting and wounding Frank Hubble, a local colored boy, was acquitted on a charge of detaining a colored girl.

James Wright, who owns a store on Carpenter's Creek near Hustonville, with his clerk William Stagg, had a close call on their lives. They were asleep in the store and had not heard the rain. In fact it had not rained so hard in their immediate locality as it did further up the stream. They were not awakened until the store building was moved from the foundation by the

They got up quickly and were unshaken to find themselves floating about with the water bursting through the floor. In their excitement they jumped out of the door and struck water up to their necks. Both having had experience at swimming they succeeded in reaching higher land after much difficulty. The store and contents lodged in a nearby corn field.

The residence of McKee Ruff, which is located near the stream was greatly damaged. The water came down so quickly that the chairs were soon floating about in the room and the bedsteads were swimming like ducks. Practically all the furniture was ruined and the residence was much damaged. The family fled during the storm to the home of a neighbor on higher ground.

Practically all the furniture was ruined and the residence was much damaged. The family fled during the storm to the home of a neighbor on higher ground.

James Allen of the Kidd's Store section, was probably the largest user in the Hustonville neighborhood. His crop of 65 acres of corn on low land was almost totally washed away. The corn and tobacco crops of John Allen in the outskirts of Hustonville suffered a damage amounting to at least \$200 it is estimate this morning.

Many chickens and pigs were drowned all along the course of the Rolling Fork and the contributary streams. There is no end to the fencing that was washed away. W. D. Speed at Hustonville lost all of his chickens and a large number of small pigs. Water got in Barney Lay's store and at Kidd's and much damage was done. The building was lifted from the foundation.

Fine Tobacco

COL. FARRIS BREAKS BIG LEAF-HARNEY'S NICE PATCH.

Col. D. K. Farris, of Crab Orchard, broke off a tobacco leaf, while weeding his little patch of 7 acres the other day. It looked so good that he took it to town and measured it. The leaf was 36 1/2 inches long and 17 1/4 inches wide and in texture almost as fine as silk. He says he has lots more just as fine.

Capt. Fox Duddar, the popular engineer, says that the finest piece of tobacco along the L. & N. between Corbin and Louisville, is being grown by W. A. Harney a few miles out on the Knob Lick pike. It is well advanced and in fine shape.

Lincoln county's acreage this year may not be greatly increased on account of the wet weather, but the tobacco that is grown promises to be of very good quality.

HOW TO CURE ECZEMA, PIMPLES AND DANDRUFF.

We desire to say that when we took the agency for Zemo we were convinced that it was a valuable remedy for Eczema, pimpls and dandruff. Yet, we must frankly admit that Zemo has far exceeded our expectations as a treatment for skin diseases. We are pleased to state that we shall continue the agency as Zemo has given splendid results wherever recommended. Our customers like Zemo, too, because it is a clean vegetable liquid for external use.

Zemo effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. does not soil the clothing or linen and can be used freely on infants. With every purchase, we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or remedy. G. L. Penny, Druggist.

Joseph Wendling, alleged murderer of little Alma Kellner, was caught in San Francisco by the police after Chief of Detectives Carney, of Louisville, had trailed him across the continent. Wendling stoutly denies his guilt and will be brought back for trial. The Louisville Post for weeks has been making sport of Carney's search for Wendling, and ridiculing his "wild goose chase." Since he caught the "goose," that paper should be manly enough to come out and frankly apologize to the clever sleuth. It owes it to him, and it will brand itself as no fair player if it doesn't do it.

John G. Carlisle, one of Kentucky's greatest statesmen in his day, died in New York Sunday night after a lengthy illness. As Speaker of the National House and Secretary of the Treasury under Cleveland, he was one of the most prominent figures in national politics for many years. He deserted the party of democracy in the hour of its need, however, and in later life lost all of the political prestige and influence which he had enjoyed so fully in his prime. For many years he had resided in New York, where he was regarded as one of the most eminent and able practitioners at its distinguished bar.

Senator McCreary attended the Lancaster fair Friday, and hundreds shook his hand and told him they were for him for governor. The war horse of Madison is feeling fine and looks a winner, every inch of him.
